Dear Ms Boyd:

Subject: Your letter dated March 9, 2006 re Respondent's
Motion dated February 28, 2006 to reschedule Hearing
Ref: Progress Energy Petition No. 2004-219-E

This acknowledges my receipt of the subject letter transmitted by telefax, courtesy of Ms. Colanthia Alvarez. Thank you for your courtesy and efficiency.

Forwarded herewith, please find my **Motion to Continue and for Extension of Time** to permit discovery. The referenced attachment documenting the surgery and post operation period, etc. is attached as **Exhibit A** to the motion. I recently received it from MUSC in Charleston. I had requested it earlier for your records.

As you can see, I would be an "absent material witness" from the scheduled **April 13, 2006 hearing. It must be continued "for cause,"** pursuant to SCRCR Rule 40 (i) (1) and (2). I therefore decided to file a new motion in order to avoid any confusion over the status of motions filed to continue.

Upon your receipt of this transmittal by telefax, if possible, please inform me ASAP by return telefax, of the status of the motions.

Please note that all this could have been avoided had the PSC used some consideration in the first place, and not set a Public Hearing on the days established as religious holidays.

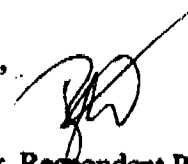

This matter reflects the PSC's complete lack of consideration for an elder woman with serious medical afflictions duly filed with the PSC, who has been so wronged over such a long period of time by the Petitioner. The latter is clearly favored by the Commission and the ORS which sanction his unethical legal maneuverings and act in direct support of the utility against the S.C. consumer which they are mandated by law to protect..

Please forward a copy of Mr. Anthony's denial on which he based his opposition to my previous motion. Neither the Petitioner, nor the PSC or ORS have sent me a copy of his opposition as required by the rules.

Please answer my request for direction on any further action required from me for this matter. Please note that on Monday, March 13, 2006 I have scheduled appointments at DUMC Oncology Dept., in Durham. Thus I shall be absent from S.C.

Thank you in anticipation for your cooperation in this matter.

Yours Sincerely,

Beatrice Weaver, Respondent Pro Se
